NOTE: In order to obtain the 2001 population denominators, the 2000 percentages of population breakdowns (or census shares) by race/ethnicity, age group and gender were applied to total state population estimates released by the Bureau of the Census on 4/24/2002 (<http://eire.census.gov/popest/estimate.php>). The total for all groups includes racial/ethnic groups other than White non-Hispanic, Hispanic, Black, American Indian and Asian
