Total, all causes	271	9	5	13	1	1	1	145	12	6	51	10	2	5	10

NOTES: Causes of death in this table are based on the Tenth Revision of the International Classification of Disease (ICD-10). Leading causes are those with the greatest number of deaths statewide in 2000. Causes with less than 3 deaths are not listed separately, but they are included in the total for all causes. Maricopa, Pima, Pinal and Yuma counties comprise Arizona's urban areas. The remaining counties comprise Arizona's rural areas.
